**Playing Through the Pain** Mar 14 2021 The powerful story of Ken Caminiti, who changed baseball forever as the first player to confess to having used performance-enhancing steroids In *Playing Through the Pain: Ken Caminiti and the Steroids Confession That Changed Baseball Forever*, writer Dan Good seeks to make sense of MLB MVP Ken Caminiti's fascinating, troubled life. Good began researching Caminiti in 2012 and conducted his first interviews for his biography in 2013. Since then he's interviewed nearly 400 people, providing him with an exclusive and exhaustive view into Caminiti's addictions, use of steroids, baseball successes, and inner turmoil. Decades later, the full truth about Major League Baseball's steroids era remains elusive, and the story of Caminiti, the player who opened the lid on performance-enhancing drugs in baseball has never been properly told. A gritty third baseman known for his diving stops, cannon arm, and switch-hit power, Caminiti voluntarily admitted in a 2002 Sports Illustrated cover story that he used steroids during his career, including his 1996 MVP season, and guessed that half of the players were using performance-enhancing drugs. "I've made a ton of mistakes," he said. "I don't think using steroids is one of them." Good's on-the-record sources include Caminiti's steroids supplier, who has never come forward, discussing in detail his efforts to set up drug programs for Caminiti and dozens of other MLB players during the late 1990s; people who attended rehab with Caminiti and revealed the secret inner trauma that fueled his addictions; hundreds of Caminiti's baseball teammates and coaches, from Little League to the major leagues, who adored and respected him while struggling to understand how to help him amid a culture that cultivated substance abuse; childhood friends who were drawn to his daring personality, warmth, and athleticism; and the teenager at the center of Caminiti's October 2004 trip to New York City during which he overdosed and died.

*Ignited* Sep 07 2020 More Power, More Purpose, and More Success for Managers Have you ever been maligned, misunderstood, downsized, reengineered, reorganized, or even misled? Even in the best organizations, you face brutal competition, non-stop pressure, and relentless change. *Ignited* reveals the gathering forces that will offer you unprecedented opportunities to reshape your career and organization. It outlines clear, realistic steps for leveraging your networks and resources to transform your vision into reality, and accomplish powerful goals only you can achieve. This is not another diatribe on leadership or grand strategic vision written by those already at the top: the Jack Welch or Rudy Giuliani who can simply dictate their visions to the organization. *Ignited* is for those leading from the middle: managers who need real tools to make a real difference. If you're ready to take back your business, your career, and your life, *Ignited* is for you. More Power Learn how to lead in a limited space Power up your network, expand your influence Overcome the traps of time, powerlessness, and negative emotions Drive meaningful strategic change across your company and industry More Purpose Harness the power of seven key ignition points for achieving your highest purpose Accomplish the powerful goals you're uniquely positioned to achieve Master the new roles of linkmaker, process master, pilot, healer, bard, scout, and translator Connect your personal passions with your company's goals More Success Master a system for selling your vision, and succeeding with the projects you're most passionate about Live your best life, not just your company's
