Conducting Tours: A Practical Guide Sep 27 2019 For readers seeking adventure in the field of tourism, Conducting Tours offers essential, contemporary guidance needed for success in this exciting, expanding industry. Beginning with basic, valuable information about guiding, escorting, and tour planning, the text progresses with discussions on subtler topics such as guide commentary tricks for effective touring, psychology of group behavior, successful itineraries, and ethical challenges presented to tour leaders. The subject matter is organized for greater reading clarity with chapter overviews, highlighted glossary terms, and magazine-style prose. Numerous photos, graphics, and quotes from industry leaders highlight key points, and over 40 charts, maps and illustrations give visual, easy access renderings of information. The professional profiles, end-of-chapter summaries and activities enables learners to comprehend real-life experiences and apply their knowledge. This integrated textbook/workbook is the only source necessary to learn about Conducting Tours. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

[A Guide to Rome: Five Walking Tours](#) Feb 22 2022 This fantastic book gives readers an opportunity to visit and enjoy not only the major attractions that a guided tour usually includes, but also many other interesting sights that are

not as commonly featured. By providing five different walking routes and detailed information about each attraction passed, the book allows the reader to choose how much time to spend at a particular place, rather than rushing to keep up with a guide. With detailed instructions of how to get from one place to another, including the nearest metro stations for the beginning and end of each walking tour, this excellent guide gives the reader a flavour of the many attractions Rome has to offer without having to join costly tours.

A Guide to Verona: Five Walking Tours Jun 28 2022 The city of Verona is second only to Rome in the antiquities that can be seen. This book aims to give the tourist an opportunity to visit and enjoy not only the few major attractions that a guided tour usually includes, but also many of the other interesting sights that many people do not see. In addition to the famous amphitheatre, cathedral and sights linked to Romeo and Juliet, you will also visit the monumental gateways, beautiful bridges, castles, fortresses, palaces, gardens, graves, remains of Roman villas and other places that show the magnificence of Verona's past. By providing five different walking routes and detailed information about each attraction passed it puts a visitor to Verona in charge of the time spent at any particular place rather than having to rush and keep up with a guide. With detailed instructions of how to get from one place to another, this book is the perfect way to experience the many wonderful things that Verona has to offer without having to join costly and rushed guided tours.

Electrical safety guidance for low voltage systems Mar 14 2021 This document replaces and supersedes all previous versions of Health Technical Memorandum 2020 - Safety code for low voltage systems. On cover & title page: Electrical services

A Guide to Mysterious San Francisco May 04 2020

San Francisco Walking Tours - (San Francisco Travel Guide Book 2021 - 2022) Jan 24 2022 San Francisco Walking Tours - A Step-by-Step Tour Guide for San Francisco's Most Popular Attractions. Tour 1- You can visit the most emblematic places of the Castro District and explore its incredible history. You could say that this was the first place where the gay community and later the LGBT could find a home. A place to settle and begin to grow as a community, away from all dangers and feelings of insecurity and persecution. Although at first things were not easy, little by little, they were gaining ground, and several of the most important events in the history of the United States took place on these streets. Tour 2 - Downtown San Francisco, here you will visit very beautiful and pleasant places in which to have a good time resting. You will not only tour the Financial District but also Market Street and see some of its most iconic buildings. Delve into this part of the city to get to know this area a little better and discover all its wonders. To get to this area, you can go on the LBUS, which will leave you very close to the first point of interest. Tour 3 - We are going to visit some of the most emblematic places of this city, which began to give shape and history to this area. You will be able to attend some of the tallest skyscrapers in the city. Tour 4 - We will visit some of the most essential places that, if or if you must know to know about the city of San Francisco, its culture, and history. Tour 5 - Eight destination points, but in each of them, you will visit a historic building in the city of San Francisco. This tour will not last more than an hour, and you can do it on foot at any time of the day. Tour 6 - The last tour. We will visit the Golden Gate Bridge and some points of interest that are near the bridge. With this tour, you will learn a lot about this bridge and its fascinating history.

The Big Onion Guide to Brooklyn May 28 2022 Presents an entertaining and informative walking guide to the historic people and places of Brooklyn, featuring ten fascinating, fact-filled walks that invite the reader to take an intimate tour through Brooklyn's important historic sites, neighborhoods, cultural institutions, and shops. Original.

The Maze Dec 11 2020 When the King died, leaving his throne to whoever succeeds in a quest, Prince Tor and his brothers readily accepted the challenge. Now that Tor has lost friends, and at least one brother, attitudes have changed. When a clue required them to find 'a guide from another world', a witch dragged a young woman from her own world to a land filled with magic, mythical creatures and dangerous monsters. Having convinced her to aid him in his quest, Prince Tor and his companions have successfully procured the latest clue and are one step closer to obtaining the throne. Now they have to persuade her to go through agony in order to find the next clue, or another guide must be found. When they discover that they need to enter a maze, from which nobody has ever escaped, one of the team must be left behind. Once inside the maze, they will need to solve a series of puzzles to continue the quest, with death being the penalty for each wrong answer. Nobody is safe, as one of Tor's brothers finds out the hard way, and Tor discovers that he cannot trust all of his friends when he uncovers a betrayal. A chance remark leads to one of the team finding out that the quest has a twist, making it even more deadly than any of those taking part could ever have imagined. Tor's Quest is a 4 part series, starting with The Guide. Books 3 and 4 have been written and will be published early 2012.

A Guide to Puglia: Five Walking Tours Oct 21 2021 Puglia is a developing tourist area in Southern Italy that is beginning to attract tourists to its varied charms. No longer just a terminus for departing to other destinations it is becoming appreciated for its own attractions. Originally a humble farming region Puglia has been influenced by Greeks, Romans, Normans and Byzantines who each made an impact on the landscape by building ports, churches and other magnificent buildings. This book aims to give the tourist an opportunity to visit and enjoy not only the few major attractions that a guided tour usually includes but many of the other interesting sights that many people do not see. By providing five different walking routes and detailed information about each attraction passed it puts a visitor to Puglia in charge of the time spent at any particular place rather than having to rush and keep up with a guide or join costly tours. The tours will enable you to experience the variety and atmosphere of some contrasting destinations in Puglia. You will be surprised to discover the rich historical monuments of Brindisi and astounded by the Baroque architecture of Lecce; you'll marvel at the unique construction of the Trulli of Alberobello and be transported back in time when exploring the Sassi di Matera.

Oppa Tour Guide Mar 02 2020 Book 1/3 A fallen K-pop Idol, Jeong Won-Shik, has worked hard to reach the top of his career. However, a one-night stand in a bar's bathroom stall and an accusation of sexual misconduct turn his world upside down. After everyone in the industry disavows him, Won-Shik takes up a job as a Tour Guide. The company, headed by the twin sister of a fellow Idol, has the potential to either allow him to make his comeback or dig a giant grave for his career. Adelaide Guzman is an American working for a talent agency in London. She's been assigned an Oppa Tour Guide, who will distract her from the reason she's in Seoul, her ex-boyfriend's wedding. When the upbeat and optimistic Adelaide meets the down-on-his-luck, Won-Shik, sparks fly. No matter how much they ignore their growing feelings, Won-Shik and Adelaide inevitably fall for each other. Can their relationship survive public scrutiny, or will Won-Shik's comeback wreck their hearts? This book has a HEA.

Cemetery Tours and Programming Dec 31 2019 Cemeteries are liminal spaces which communicate grand ideas about mortality and values. They link the past and the future, and both isolate and provide a place for communication with the dead. Founders of America's first rural cemeteries recognized this and viewed cemeteries as significant civic improvements with the potential to inspire and instruct visitors as well as provide relief from the pressures of an increasingly industrialized society. By the end of the 19th century, changes had occurred to more narrowly define the role of the American cemetery. The development of municipal parks gradually claimed cemeteries recreational patronage. America was moving towards a more modern approach to death, with the rise in funeral homes and commercial enterprises to market death services. Monuments became more standardized and sold through catalogues. Cemeteries began to lose their functional diversity and cultural significance. As the 21st century begins, burial grounds are facing increasing pressures regarding their relevancy. Americans are embracing cremation (expected to be greater than 50% nationwide in 2025), and are increasingly more interested in the practical disposal of the dead than in the ceremony and memorialization that was once common and expected. Americans today are moving and living far from where their parents did and the connection to a local burial ground is lost. As time goes on, a cemetery costs more and more money to maintain, as land becomes developed, monuments sink and become worn and roads need to be paved and maintained. Those cemeteries, faced with increased maintenance and labor costs/shrinking endowments and cemetery income, have often become places of disrepair and neglect. Cemeteries are cultural institutions. With their physical demise, many of the stories illustrated by the art, architecture and horticulture are lost as well. Faced with these challenges some cemeteries are creating events and programming in an effort not only to bring in income, but to return the cemetery to its place as an integral part of the community's fabric. Cemetery Tours and Programming: A Guide shows the range and opportunities of cemetery programming which go beyond the basic starting points like dog-walking or traditional historic walking tours. While most cemeteries do not have a large paid staff, the book is accessible to anyone (a paid staff, volunteers, a Friends Group or museum or historical society) looking to broaden the scope of how their local cemetery is utilized. While other books guide readers through the symbolism present in cemeteries or how to use a cemetery for genealogy, this is the only one on developing programming in

cemeteries. It illustrates the reuses of both historic and contemporary burial grounds through the lenses of recreation, education and reflection."

A Guide to Seville: Five Walking Tours Mar 26 2022 Seville is one of the most charming cities in Spain with its favourable climate and relaxed atmosphere. It is steeped in history and has a unique Moorish heritage that bequeaths the city a large collection of interesting buildings as well as those that are a legacy of the Ibero-American Exhibition of 1929. These five walks give the tourist an opportunity to visit and enjoy not only the major attractions that a guided tour usually includes but also many of the other interesting sights that people do not always see. This book will help you experience the atmosphere of different areas in Seville with its gardens, palaces, religious institutions, museums and other buildings, transporting you back through time by walking through the smaller streets and hidden plazas that have a historical and cultural significance with their blend of architectural styles. By providing five different walking routes and detailed information about each attraction passed it puts a visitor to Seville in charge of the time spent at any particular place rather than having to rush and keep up with a guide. With detailed instructions of how to get from one place to another it gives a flavour of the many things that Seville has to offer without having to join costly guided tours.

Catalogue of the Philatelic Library of the Earl of Crawford, K.T. Aug 26 2019

Walking Tours Jun 04 2020 Love to explore the cities on foot and public transport? Like to get immersed in local history? Eating local food is one of your favorite travel experiences? Want to know what souvenirs to shop for? This book provides well-planned trails that include historical places, tips for eating local food, and where to shop for souvenirs. Did you rush to reach that walking tour starting point? Tours are full during your stay? Not able to find a tour in your language? Not enough eating options on the tour? Using this book you can explore the city by yourself at your own pace and your time of convenience. There is enough time to take the pictures you wanted. There are many suggestions to eat at hawker centers as well as dine in the restaurants. Eating suggestions include different cuisines and some vegan suggestions too. The authors themselves love to take walking tours. The guide has been prepared after trying the walking trails many times during different times and seasons. An effort has been made to include a variety of info considering the varied food habits and shopping habits. Explore Singapore using 3 trails in Chinatown and Little India neighborhoods. Find how Singapore transformed from a small fishing village 200 years back to the multicultural city of today. Understand the different communities and their culture in Singapore. Savor some local food and shop for souvenirs.

Great Tours! Jun 16 2021 This open and engaging book will help you develop thematic tours and train your guides to lead those tours, while aiding you in managing your guide program effectively. The authors' unique approach includes clear step-by-step instructions supplemented with activities and readings.

14 Days in Japan Nov 29 2019 Are you thinking about traveling to Japan? Discover Japan through this easy to follow guide tailored for first-time travelers! Most available online resources contain too much information! If you've searched for a Japan travel guide online, you may have noticed: - Most guides contain disorganized information that may leave you with more questions than answers. - It is impossible to find practical information like how much a trip to Japan would cost, where to stay, and what transportation to use. 14 Days in Japan is the ultimate travel guide tailored for a first-time traveler. It provides detailed information about visiting Tokyo, Hirayu, Takayama, Kyoto, and Osaka during a 14-day period, including destinations and transportation options. The book highlights the amazing Japanese cuisine and introduces the readers to the Japanese history and culture. The stunning photos throughout the book will make you want to discover Japan right now. This book also includes the following sections: - Destinations List A handy list of spots to visit in Tokyo, Hirayu, Takayama, Kyoto, and Osaka. - Good to Know List A guide that will get you familiar with Japanese etiquette, customs, and useful information for tourists. - Tips List A list of suggestions that can help save time and money, and make a trip to Japan more comfortable. - Trip Budget A summary of how much we spent on accommodations, transportation, food, and attractions in different cities during our trip to Japan. This list can give you an idea of how to plan your budget. - What to Eat in Japan Food is an important part of this book. This section summarizes the food we ate into the following categories: must try, sweets, drinks, and worth trying. The lists also include information about where to try many of the items. - What to Buy in Japan Japan offers many unique items. This list provides information about some of them. NOTE: The paperback version has a black and white interior.

Glastonbury Tor Nov 02 2022 This best-selling guide draws a full picture of the mysterious landmark Glastonbury Tor. It describes the Monastery of St. Michael, the labyrinth, the astronomical alignments, the underground water, the geology, and the associated myths and legends. It sets the Tor in its various historic and prehistoric contexts to answer the question of the purpose behind the construction of the terraces. This is a fully revised and updated edition. Glastonbury Tor was first published in 1986.

The WPA Guide to New Jersey May 16 2021 During the 1930s in the United States, the Works Progress Administration developed the Federal Writers' Project to support writers and artists while making a national effort to document the country's shared history and culture. The American Guide series consists of individual guides to each of the states. Little-known authors—many of whom would later become celebrated literary figures—were commissioned to write these important books. John Steinbeck, Saul Bellow, Zora Neale Hurston, and Ralph Ellison are among the more than 6,000 writers, editors, historians, and researchers who documented this celebration of local histories. Photographs, drawings, driving tours, detailed descriptions of towns, and rich cultural details exhibit each state's unique flavor. The Granite State has a rich history and varied landscape, beautifully presented in the WPA Guide to New Hampshire. The driving tours highlight the White Mountains, Lake Winnepesaukee, and the coast near Portsmouth. This New Hampshire guide also has traditional photographs of churches, landscapes, and colonial houses which give readers a feel for life in New England in the early 20th century.

Colors of Fall Road Trip Guide Jul 06 2020 The perfect road trip companion for the beautiful New England fall This guide details 25 of the best scenic tours during fall foliage season in New England. Trips vary from short drives on the coast to all-day excursions in the region's mountains and forests. Detailed maps and itineraries complement trip descriptions that tell you what you'll find along the route. In addition, sidebars suggest short walks and hikes that are great diversions when a little leg-stretching is required. This is the perfect companion for any leaf-peeping excursion. Drives include: A Covered Bridge Tour of Southwestern New Hampshire The Southern Berkshires: Hay Fields, Waterfalls, and Cobbles Rhode Island's Beaches and Mansions: Westerly to Newport Connecticut River Tour Maine's Big Woods: The Kennebec Valley and Moosehead Lake Experience the inimitable sights of autumn in New England, and leave no leaf unturned!
