The Last Tycoon Jun 28 2022 F. Scott Fitzgerald's poignant final work is now available in a beautifully designed collector's edition. Fitzgerald's final novel portrays the glittering excess of 1930s Hollywood. This edition, authorized by the Fitzgerald estate, is a careful restoration of the author's phrases, words, and images that were excised from the 1940 publication, giving new luster to Fitzgerald's last work. A tragic story of the young Hollywood mogul Monroe Stahr, a character who was inspired by the life of movie producer Irving Thalberg, *The Last Tycoon* is a sharply observed and bittersweet exposé of the film industry in its heyday.

The Pat Hobby Stories Jul 18 2021 The setting: Hollywood: the character: Pat Hobby, a down-and-out screenwriter trying to break back into show business, but having better luck getting into bars. Written between 1939 and 1940, when F. Scott Fitzgerald was working for Universal Studios, the seventeen Pat Hobby stories were first published in *Esquire* magazine and present a bitterly humorous portrait of a once-successful writer who becomes a forgotten hack on a Hollywood lot. "This was not art" Pat Hobby often said, "this was an industry" where whom "you sat with at lunch was more important than what you dictated in your office." Pat Hobby's Christmas Wish (excerpt) It was Christmas Eve in the studio. By eleven o'clock in the morning, Santa Claus had called on most of the huge population according to each one's deserts. Sumptuous gifts from producers to stars, and from agents to producers arrived at offices and studio bungalows: on every stage one heard of the roguish gifts of casts to directors or directors to casts; champagne had gone out from publicity office to the press. And tips of fifties, tens and fives from producers, directors and writers fell like manna upon the white collar class. In this sort of transaction there were exceptions. Pat Hobby, for example, who knew the game from twenty years' experience, had had the idea of getting rid of his secretary the day before. They were sending over a new one any minute—but she would scarcely expect a present the first day. Waiting for her, he walked the corridor, glancing into open offices for signs of life. He stopped to chat with Joe Hopper from the scenario department. 'Not like the old days,' he mourned, 'Then there was a bottle on every desk.' 'There're a few around.' 'Not many.' Pat sighed. 'And afterwards we'd run a picture—made up out of cutting-room scraps.' 'I've heard. All the suppressed stuff,' said Hopper. Pat nodded, his eyes glistening. 'Oh, it was juicy. You darned near ripped your guts laughing—' He broke off as the sight of a woman, pad in hand, entering his office down the hall recalled him to the sorry present. 'Gooddorf has me working over the holiday,' he complained bitterly. 'I wouldn't do it.' 'I wouldn't either except my four weeks are up next Friday, and if I bucked him he wouldn't extend me.' As he turned away Hopper knew that Pat was not being extended anyhow. He had been hired to script an old-fashioned horse-opera and the boys who were 'writing behind him'—that is working over his stuff—said that all of it was old and some didn't make sense. 'I'm Miss Kagle,' said Pat's new secretary... Francis Scott Key Fitzgerald (September 24, 1896 – December 21, 1940), known professionally as F. Scott Fitzgerald, was an American novelist and short story writer, whose works illustrate the Jazz Age. While he achieved limited success in his lifetime, he is now widely regarded as one of the greatest American writers of the 20th century. Fitzgerald is considered a member of the "Lost Generation" of the 1920s. He finished four novels: *This Side of Paradise*, *The Beautiful and Damned*, *The Great Gatsby*, and *Tender Is the Night*. A fifth, unfinished novel, *The Last Tycoon*, was published posthumously. Fitzgerald also authored 4 collections of short stories, as well as 164 short stories in magazines during his lifetime.

The Last Tycoon Jul 30 2022 Unfinished at the time of his death, *The Last Tycoon* was F. Scott Fitzgerald's last novel, compiled and published posthumously. A Hollywood heavyweight, Monroe Stahr embarks on a passionate but ill-fated love affair with the beautiful Kathleen Moore while struggling to hold on to his success and fend off his chief rival, Pat Brady. Published under the working title *The Last Tycoon*, in the decades following Fitzgerald's death it has been accepted that he intended the work to be titled *The Love of the Last Tycoon*; it has been published as such since 1993. Although incomplete, *The Last Tycoon* has been adapted for television and film based on Fitzgerald's extensive notes and outlines for the complete work. This edition of *The Last Tycoon* contains the six chapters that had been completed at the time of Fitzgerald's death in 1940. Modern Classics the Last Tycoon Oct 21 2021 These sumptuous new hardback editions mark the 70th anniversary of Fitzgerald's death. Their eyes 'met and tangled. For an instant they made love as no one ever dares to do after. Their glance was slower than an embrace, more urgent than a call'. A novel of the glittering decadence of Hollywood in its heyday, this was Fitzgerald's last work and he died without completing it. The novel's tragic tycoon hero is Stahr. Caught in the crossfire of his own effortless cynicism and his silent, secret vulnerability, Stahr inhabits a world dominated by business, alcohol and promiscuity. If there is a moral or social necessity to film-making in this West Coast never-never land, Stahr does not always believe in it. If there is love he does not always see it. The sharpness of Fitzgerald's prose, the steely simplicity of his style, give a cutting edge to this study of Hollywood in the thirties, from which Fitzgerald draws a painfully bitter-sweet love affair and bids his own poignant

farewell to the Great American Dream.

Three Novels Nov 09 2020 Enjoying a spectacular surge in popularity, F. Scott Fitzgerald is more widely read than ever and this collection of three of his novels is a valuable addition to the Fitzgerald library. *The Beautiful and Damned* is the story of Anthony Patch and his wife, Gloria. Harvard-educated Patch is waiting for his inheritance upon his grandfather's death. His reckless marriage to Gloria is fueled by alcohol and is destroyed by greed. The Patches race through a series of fiascoes—first in hilarity, and then in despair. *The Beautiful and Damned*, a devastating portrait of the nouveaux riches, New York nightlife, reckless ambition, and squandered talent, was published in 1922 on the heels of Fitzgerald's first novel. It signaled his maturity as a storyteller and confirmed his enormous talent as a novelist. Set on the French Riviera in the late 1920s, *Tender Is the Night* is the tragic romance of the young actress Rosemary Hoyt and the stylish American couple Dick and Nicole Diver. A brilliant young psychiatrist at the time of his marriage, Dick is both husband and doctor to Nicole, whose wealth goads him into a lifestyle not his own, and whose growing strength highlights Dick's harrowing demise. Lyrical, expansive, and hauntingly evocative, *Tender Is the Night*, Mabel Dodge Luhan remarked, raised F. Scott Fitzgerald to the heights of "a modern Orpheus." *This Side of Paradise*, F. Scott Fitzgerald's romantic and witty first novel, was written when the author was only twenty-three years old. This semiautobiographical story of the handsome, indulged, and idealistic Princeton student Amory Blaine received critical raves and catapulted Fitzgerald to instant fame. In this definitive text, *This Side of Paradise* captures the rhythms and romance of Fitzgerald's youth and offers a poignant portrait of the "Lost Generation."

Thank You for the Light Dec 31 2019 This newly discovered short story by one of the greatest writers of twentieth-century American literature, F. Scott Fitzgerald, will surprise and delight. *Thank You for the Light* is a masterfully crafted story—sparse, strange, and wonderful, albeit a departure from Fitzgerald's usual style. A widowed, corset saleswoman, Mrs. Hanson, whose chief pleasure in life is cigarettes, discovers that social disapproval of smoking is widespread in her new sales territory. Deprived of this simple comfort, she receives solace, and a light, from an unexpected source. Fitzgerald originally submitted the story to *The New Yorker* in 1936, four years before his death, but it was rejected. The editors said that it was "altogether out of the question" and added, "It seems to us so curious and so unlike the kind of thing we associate with him and really too fantastic." Almost eighty years later, Fitzgerald's grandchildren found the story among his papers and the Fitzgerald scholar James West encouraged them to send the story to the magazine once again. This time around the magazine decided to publish it, and now it is available in this special eBook edition.

"The Last of the Novelists" May 28 2022 Re-creating the author's intention from the manuscripts, this study shows that Fitzgerald regarded none of his material as final but, rather, as material toward a novel quite possibly about the American Dream—a respectful study of the American business hero. Mr. Brucoli's transcription and analyses of the manuscripts and notes for the unfinished novel serve two related purposes: they enable us to gauge the state of F. Scott Fitzgerald's work-in-progress at the time of his death and thereby to reassess this work properly. Examination of Fitzgerald's drafts reveal that he regarded none of this material as finished. There are no final drafts—only latest working drafts. After Chapter One there are no chapters, and even this is marked for rewrite. And Fitzgerald's undated last outline provides only topics or ideas for the thirteen unwritten episodes. *The Last Tycoon* has always been read as a Hollywood novel—a novel about the movies. It is far from certain that the title was final, but it is clear that Fitzgerald conceived Monroe Stahr as a "tycoon." Fitzgerald's tentative title "The Love of the Last Tycoon: A Western" is instructive: it connects Stahr with all the other poor boys who went West to seek their fortunes. "I am the last of the novelists for a long time now," Fitzgerald wrote in a note for *The Last Tycoon*. His statement does not refer to technique or to form, Mr. Brucoli claims; it can be understood only in terms of theme and character. Stahr exemplifies Fitzgerald's belief in the American Dream—decency, honor, courage, responsibility, and the possibilities of the American life—and Fitzgerald regarded himself as the last of the American novelists writing on this great theme.

West of Sunset Mar 14 2021 In 1937, F. Scott Fitzgerald was a troubled, uncertain man whose literary success was long behind him. In poor health, with his wife consigned to a mental asylum and his finances in ruin, he struggled to make a new start as a screenwriter in Hollywood. With flashbacks to key moments from Fitzgerald's past, the story follows him as he arrives on the MGM lot, falls in love with brassy gossip columnist Sheilah Graham, begins work on *The Last Tycoon*, and tries to maintain a semblance of family life with the absent Zelda and their daughter, Scottie. Written with striking grace and subtlety, this wise and intimate portrait of a man trying his best to hold together a world that's flying apart, if

not gone already, is an American masterpiece.

The Last Tycoons Sep 19 2021 A grand and revelatory portrait of Wall Street's most storied investment bank Wall Street investment banks move trillions of dollars a year, make billions in fees, pay their executives in the tens of millions of dollars. But even among the most powerful firms, Lazard Frères & Co. stood apart. Discretion, secrecy, and subtle strategy were its weapons of choice. For more than a century, the mystique and reputation of the "Great Men" who worked there allowed the firm to garner unimaginable profits, social cachet, and outsized influence in the halls of power. But in the mid-1980s, their titanic egos started getting in the way, and the Great Men of Lazard jeopardized all they had built. William D. Cohan, himself a former high-level Wall Street banker, takes the reader into the mysterious and secretive world of Lazard and presents a compelling portrait of Wall Street through the tumultuous history of this exalted and fascinating company. Cohan deconstructs the explosive feuds between Felix Rohatyn and Steve Rattner, superstar investment bankers and pillars of New York society, and between the man who controlled Lazard, the inscrutable French billionaire Michel David-Weill, and his chosen successor, Bruce Wasserstein. Cohan follows Felix, the consummate adviser, as he reshapes corporate America in the 1970s and 1980s, saves New York City from bankruptcy, and positions himself in New York society and in Washington. Felix's dreams are dashed after the arrival of Steve, a formidable and ambitious former newspaper reporter. By the mid-1990s, as Lazard neared its 150th anniversary, Steve and Felix were feuding openly. The internal strife caused by their arguments could not be solved by the imperious Michel, whose manipulative tendencies served only to exacerbate the trouble within the firm. Increasingly desperate, Michel took the unprecedented step of relinquishing operational control of Lazard to one of the few Great Men still around, Bruce Wasserstein, then fresh from selling his own M&A boutique, for \$1.4 billion. Bruce's take: more than \$600 million. But it turned out Great Man Bruce had snookered Great Man Michel when the Frenchman was at his most vulnerable. The LastTycoons is a tale of vaulting ambitions, whispered advice, worldly mistresses, fabulous art collections, and enormous wealth—a story of high drama in the world of high finance.

F. Scott Fitzgerald in Context Jun 24 2019 The fiction of F. Scott Fitzgerald serves as a compelling and incisive chronicle of the Jazz Age and Depression Era. This collection explores the degree to which Fitzgerald was in tune with, and keenly observant of, the social, historical and cultural contexts of the 1920s and 1930s. Original essays from forty international scholars survey a wide range of critical and biographical scholarship published on Fitzgerald, examining how it has evolved in relation to critical and cultural trends. The essays also reveal the micro-contexts that have particular relevance for Fitzgerald's work - from the literary traditions of naturalism, realism and high modernism to the emergence of youth culture and prohibition, early twentieth-century fashion, architecture and design, and Hollywood - underscoring the full extent to which Fitzgerald internalized the world around him.

The Last Tycoon Oct 01 2022 F. S. Fitzgerald (1896–1940) was an American writer, whose works illustrate the Jazz Age. «The Last Tycoon» is a magnificent story of doomed love set against the extravagance of America's booming film industry. The studio lot looks like 'thirty acres of fairyland' the night that a mysterious woman stands and smiles at Monroe Stahr, the last of the great Hollywood princes. Enchanted by one another, they begin a passionate but hopeless love affair, starting with a fast-moving seduction as slick as a scene from one of Stahr's pictures. The romance unfolds, frame by frame, watched by Cecilia, a thoroughly modern girl who has taken her lessons in sentiment and cynicism from all the movies she has seen.

Tender Is the Night and the Last Tycoon Apr 26 2022 The last tycoon centers on the life of fictional film executive Monroe Stahr, circa Hollywood in the 1930s. Stahr is modeled loosely on the life of film executive Irving Thalberg.

I'd Die For You Jan 12 2021 "Known not only for his brilliant novels but also for short stories chronicling the Jazz Age, such as 'Bernice bobs her hair' and 'The diamond as big as the Ritz,' F. Scott Fitzgerald continued to write stories his entire life, some of which were never published--until now. Many of the stories in I'd die for you were submitted to major magazines and accepted for publication during Fitzgerald's lifetime but were never printed. A few were written as movie scenarios and sent to studios or producers, but not filmed. Others are stories that could not be sold because their subject matter or style departed from what editors expected of Fitzgerald in the 1930s. They come from various sources, from library archive to private collections, including those of Fitzgerald's family"--Jacket flap.

F. Scott Fitzgerald's The Last Tycoon Jun 16 2021 1930s. The Golden Age of Hollywood. F. Scott Fitzgerald's masterpiece about the movie industry. The tragedy of a man obsessed. Monroe Stahr (loosely based on legendary producer Irving Thalberg) is in a fight with Pat Brady (loosely based on movie mogul Louis B. Mayer) over artistic control of his movies. The "Boy Wonder" is only 36 and the most celebrated producer in Hollywood, but already the corporate men are ready to throw him over if he doesn't turn a profit. In a world where money is God, art is seldom discussed. When Stahr decides to make his masterpiece, the "Shakespeare Project," as a tribute to his dead wife, knowing full well it will lose money, Brady and the Money Men try to bring him down. They stand a good chance. Stahr has a bad heart from a childhood illness. His doctor tells him if he doesn't slow down, he'll be "dead in six months." But Stahr is a man obsessed—with movies, with illusion, with memories of his dead wife, with a mysterious, enigmatic woman (Kathleen Moore) whom he met on the back lot after an earthquake nearly destroyed his studio. It's been years since he's cared about another woman. He pursues her, like his precious "Project," without regard to consequences. All around him are people who love and want to protect him—especially Cecelia Brady (Pat Brady's daughter), who takes us on a journey of love into the literal and metaphorical heart of a great man.
